## **Social Distancing & COVID-19 Safety Measures**

We are pleased to offer an opportunity for competitors and others to get out and enjoy events with their dogs. So that we do not risk any setbacks that may impact future events, please join us in following safe practices recommended by the U.S. Center for Disease Control and other State and local health agencies:

- Dogs may be crated inside or outside the facility in designated areas. You will be assigned a crate area. All crates and ex-pens must be placed on a tarp or mat. Crates may be left at the site (indoors) overnight at your own risk.
- At this time no lunch will be prepared at the trial site. Bottled water/soda may be offered. There are several nearby restaurants including Frisch's, McDonalds, Wendy's, Taco Bell, and Penn Station, or participants may bring their own food.

### **COVID-19 guidelines will be followed as per CDC, state and local health departments**

- Participants will be escorted into the building one at a time and temperature will be taken
- Masks will be required to be worn by all participants at all times. Everyone entered and/or at the event/facility, both indoors and outdoors, will be required to wear a mask, without exception. This includes all competitors, workers, ring crew, and judges. It is strongly suggested you bring your own. A limited supply of masks will be for sale.
- Sanitation stations will be located throughout the building
- Only a designated person will be allowed to set/tear down courses
- Walk thrus will be limited to groups of 5 handlers at a time and a maximum of 5 minutes per group. -Social distancing will be required at all times
- Course maps will be posted for review by handlers (we suggest you take a picture with your cell phone)

This is not a complete list. Please visit the Center for Disease Control website or other State and local health agencies for guidance, as measures may vary by geographic region.

To contribute to this effort, please bring your own sanitizers, gloves, masks, food, and beverage to assure availability. Please be accepting of changes from past practices as we seek new ways keep everyone safe as possible. We are doing our best to address specific measures that we could put in place to promote safety during this event, including, but not limited to, change in ring operation procedures, and prepping volunteers, judges, and staff in safe practices.

While we hope that the environment for public gatherings continues to improve, BE AWARE that safety measures could change and additional measures imposed at any time. Watch your entry confirmation prior to arrival at the event, as we cannot be responsible due to changes beyond our control in this fluid situation.

By all means, if you have been exposed to anyone that may have been exposed or infected with a virus or flu within two weeks prior to the event, or if you are feeling ill, please self-isolate and stay home, knowing that we will happily welcome you at a future trial.

Additional health and/or safety measures may be required by the facility owner at which this event is being held, or by the Event Organizer. Such statements may be included in this premium, in the event confirmation, or posted on site at Check-In for this event. Failure to comply with these requirements, as well as other provisions in this premium are subject to WCRL disciplinary action as described in Appendix C to the WCRL Official Regulations, which could result in dismissal from the event and/or cancellation of all results from performance at the event, without recourse.

If competitors do NOT register their dog with WCRL before the end of the event, any scores earned during that event will NOT be recorded by WCRL. To register before the end of the event, competitors must either register the dog online at [www.rallydogs.com](http://www.rallydogs.com) and then submit the WCRL dog registration number to the Trial Secretary before end of the event, or submit a "WCRL Dog and Junior Handler Registration" form with \$36 registration fee to the Trial Secretary before end of the event.

## **Rally Class Description**

For a complete description of the Rally rules & regulations, rules of performance, scoring standards, explanation of exercises (including Primary and Secondary Elements), course design, etc., go to [www.rallydogs.com](http://www.rallydogs.com) and click on Official Regulations. To learn more and get new ideas, you can join the "All Dogs" Rally chat list and talk to other World Cynosport Rally Limited enthusiasts by sending a message to [RallyO-All-Dogs-subscribe@yahoogroups.com](mailto:RallyO-All-Dogs-subscribe@yahoogroups.com).

You must be familiar with all the Rally exercise signs, as well as the Official Rules & Regulations prior to the event. Go to [www.rallydogs.com](http://www.rallydogs.com) for an explanation of each of the exercise signs and have fun practicing them with your dog.

### **A and B Classes**

"A" classes are for dogs that have NOT earned the base level title for that level (i.e., RL1, RL2, RL3, RLV). "B" classes are for dogs that have completed that base level title for that level.

### **Intro Class**

Intro class is open to dogs 6 months or older, but dogs who have earned the RLI or RL1 or higher will be eligible for separate B class placement awards in this class. An Intro course has 10 exercise signs, including the bonus. Please see the Official Rules & Regulations for more details on Intro class, including when rewards may be given.

### **Veteran Class**

Veteran class is open to all dogs over the age of 8; dogs 50 pounds and less than 90 pounds may enter Veteran at age 7 years, and dogs 90 pounds or more may enter at age 6 years. A Veteran course will consist of 12-13 exercise signs from any level, including a Bonus exercise from the Level 3 Bonus Exercises. In Veteran class, one Additional Cue per exercise may be given without penalty. Please see the Official Rules & Regulations for more details.

### **Food and Touch Rewards**

Rewards of food and touch may be given in all classes following the conclusion of any stationary exercise, except when performing shared stations, in which the reward may only be given at the conclusion of the final stationary exercise of a shared station. Handler's delivery of the reward must be completed before the team moves forward on the course to the next exercise. Use of the reward to induce a desired behavior is considered luring and is prohibited. Rewards may be given in the ring before beginning and after completion of the course performance. A handler shall not otherwise feed or touch their dog during the course performance. Please see the Official Rules & Regulations for more details on the rules for rewards.

### **Bonus Exercise**

A Bonus is an exercise through which additional points may be earned. A bonus exercise is offered on all courses in the regular classes, and it shall be clearly marked with a "Bonus" placard. The bonus exercise shall be in course sequence, at judge's discretion, and shall be performed in the normal flow of the timed course at handler's option.

The following rules shall apply for all bonus exercises, whether the bonus exercise has one or two signs: If the bonus exercise is attempted, 10 bonus points are awarded, with point deductions assessed for incorrect performance of the exercise; point deductions on the bonus shall not exceed 10 points. The bonus exercise may be retried one time. If the bonus exercise results in a change of direction, the handler shall perform an additional basic turn as needed following the bonus in order to continue to the next station. If the team opts to bypass the bonus, the team shall heel by the bonus station to the next station; there is no penalty for bypassing the bonus.

Please see the Official Rules & Regulations for details on the bonus exercise, including the list of exercises from which the bonus is selected for each class.

### Jump Heights

Dogs are not required to be measured the day of the trial or prior to judging. However, judges have the option to measure any dog prior to his/her performance if the dog appears to be entered in a group lower than might be indicated by his/her registered shoulder height. Jump heights may also be modified or the jump exercise excused entirely based on physical challenges (e.g. age, disability such as blindness, or use of a mobility device) that a particular dog may face.

The following table shows the recommended and minimum allowable jump heights based upon the dog's height at the withers. The selected jump height shall be indicated on the Entry Form. The "minimum allowable jump height" for each height category is the minimum height permitted without a Request for Modification being made. A handler may select a higher height at their sole discretion, but must have designated the height on the entry form.

Height at Withers	Minimum Allowable Jump Height	Recommended Jump Height
12" or less	4"	4"
16" or less	4"	8"
20" or less	8"	12"
Over 20"	12"	16"

### Time Standards

Each course in all classes has a Maximum Course Time or "MCT". Should this limitation be reached, the course performance is over and the team's score will be marked zero. The following table sets forth the MCT for each class:

	Intro	Level 1	Level 2	Level 3	Veteran
MCT	3:00.00 minutes	3:00.00 minutes	3:30.00 minutes	4:00.00 minutes	4:00.00 minutes
