Welcome To Middletown Dog Training Center

Items to Remember:

- You can use a buckle/flat collar, or martingale. No chain/nylon choker allowed.
- No flexi-leads are to be used in class, please use a 4-6 ft lead made of leather, cotton, or nylon.
- Please do not feed your dog prior on class day; hungry dogs pay more attention to you.
- Bring soft treats, such as hot dogs, pupperoni, string cheese, etc. cut to the size of your pinky fingernail. No hard treats. Have a pocket, bait bag, or fanny pack to hold your treats, you will need to keep both hands free. If your dog has a favorite toy, and you want to use that instead of treats, that is fine.
- Potty and give your dog some exercise before class. Accidents can and do happen. We have supplies for you to use to clean up.
- The potty area is out the back door to the left of the building. PLEASE PICK UP AFTER YOUR DOG. Bags are available for clean up. Outside, there is a can in which to put your waste.
- Arrive a few minutes early to give you and your dog time to relax.
- Keep your dog close, and watch to make sure your dog doesn't have any eye/physical contact with other dogs, some can take this as a threat and act out.
- Please turn off cell phones during class and hold your private conversations until after the instructor is done speaking.
- Please speak up if you are having issues with your dog, or if you cannot hear the instructor.
- We ask that only one person (in a family) be in the ring with the dog at a time.
- Wear comfortable shoes and clothing. Heels and flip flops can be a safety hazard.
- Most importantly come with a sense of humor, and don't judge your dog's behavior or be embarrassed by it. Hang in there with the classes and don't compare your dog to another. Training can be trying at times. Homework practice is essential to training your dog to becoming the dog you want!
- We are here to help you in every way we can to make your dog a great family member.

We are a group of volunteers that want to help you reach your training goals with your dog. We offer basic obedience, puppy socialization, competition and specialty classes - Rally, Agility and Conformation.

DEFINITION OF “AGGRESSIVE DOG”

An aggressive dog is one who, on MDTC premises or at MDTC activities, makes – or repeatedly attempts to make – negative physical contact with any person or any animal. “Negative physical contact” is that which is potentially harmful or dangerous to persons or pets. Some examples might be but are not limited to, the following:

Any person who believes s/he experienced or witnessed an act of dog aggression may fill out a written report, which must be signed, dated, and presented to the Class Instructor, Training Director or Club President.

POLICIES AND PROCEDURES

1. All Obedience class participants and Club members will receive a copy of the Aggressive Dog Policy.
2. Any dog that exhibits an overt act of aggression is to be excused immediately and taken from the premises. The instructor will request the owner/handler remain to discuss the incident, review Club policies and determine options for further classes.
3. If a person believes a dog is exhibiting aggressive behavior, a report (*See Aggressive Dog Report Form below*) must be filed.
 - The Instructor ***always*** has the right to request that a handler remove a dog from class for the evening or the remainder of the classes OR muzzle the dog in classes OR may recommend other appropriate action; in such instances, the Instructor will file a written report with the Training Director and Board.

- Full or partial refunds in cases where a dog is not allowed to return to class are subject to Board review.
4. Written reports of dog aggression will be forwarded to the Instructor or Training Director who will request an assessment of the situation from the Instructor.
